

Rapid Agility with Scalable Capability

Enterprise Technology and Business Systems Integrator

Since 2002, M&S Consulting has been a trusted partner for both commercial and public sector clients, specializing in IT outsourcing and delivering innovative technology solutions for critical business functions.

Our team of over 250 consultants has carved a niche in the industry by seamlessly integrating process and technology. With our depth and breadth of services, we offer decades of experience in identifying, scaling, mobilizing, implementing, and maintaining digital transformation initiatives regardless of where you are in the journey.

CLIENT QUOTE

"M&S was simply extraordinary throughout the project. Their technical expertise was critical to the success of the project. Any task assigned to them was performed quickly and without issue. M&S was highly responsive and very flexible. It's rare to encounter a company with the commitment and dedication they demonstrated. And were this not enough, their good humor and positivity added immeasurably to the team."
