

TECH, MEDIA, & TELCO CAPABILITIES

Rapid Agility with Scalable Capability

Enterprise Technology and Business Systems Integrator

Since 2002, M&S Consulting has been a trusted partner for both commercial and public sector clients, specializing in IT outsourcing and delivering innovative technology solutions for critical business functions.

Our team of over 250 consultants has carved a niche in the industry by seamlessly integrating process and technology. With our depth and breadth of services, we offer decades of experience in identifying, scaling, mobilizing, implementing, and maintaining digital transformation initiatives regardless of where you are in the journey.

Our Expertise

Our team of Telecommunications and IT Professionals bring decades of experience and help our clients address some of the most challenging and transformative solutions.

Our Tech, Media, & Telecommunications experts can help you with:

- Full Digital Transformation for the entire customer journey
- Customer Experience and Lifecycle Management
- Network Lifecycle Management with OSS and BSS Solutions
- Integrated and automated solutions for frictionless and automated serviceability, provisioning, and service delivery

From "Quote to Cash" to "Customer Care and Repair," we help our customers with CRM, Quote Configurations – including MACD (Move, Add, Change, Disconnect), Case Management, High Volumes of Data, and Billing.

M&S can help with strategic Roadmap and System Architecture to addressing specific areas of concern that need attention.

CLIENT QUOTE

M&S Consulting has a significant advantage over other service providers due to their wealth of telecom knowledge and experience. Having telecom experts lead us through our digital transformation has really been beneficial.

Agile Project Management & IT Service Management

Cybersecurity & Identity Management

Leading Tech, Media, & Telco-Focused Digital Transformation

With traditional and modern technology experts, we're uniquely qualified to guide the transition from old to the new.

Our team guides the transition from traditional solutions to modern innovation through documented vision, cultural alignment, and staff and skill upgrades.

Traditional

- On-prem
- Monolithic (all-in-one)
- Best-in-suite
- Waterfall
- Manual Processes

Modernization

Our team guides the transition from traditional solutions to modern innovation through documented vision, cultural alignment, staff, and skill upgrades.

Modern

- Cloud Native
- Integrated
- Best-in-breed
- Agile
- Automated (AI, RPA, CI/CD)

Why We're Different – Done.Better.Together.

Goals and objectives continue to evolve to meet the needs of the people you serve. Our team consistently leads and implements innovative digital results today while planning supportive solutions and long-term partnerships for tomorrow.

We deliver a unique depth of expertise without compromising quality. Our team is designed to support your growth, solve deadline-driven problems, and align to your mission.

Eliminate the need for multiple vendors or partners to move your digital transformation work forward.

How to Work With Us

Gain a multi-vendor technology partner to lead, execute, and support your digital transformation.
